

To Help Your Application Get Processed Quicker, Please Submit the Following for the Education Process if Applicable:

- Submit an 8 1/2" X 11" copy of your medical school diploma. If it is not in English, attach an English translation from a reputable translating organization.
- Arrange for Devon Health to receive a sealed or notarized *Verification of Medical Education* form from medical school that you attended, sent *directly* from the school to Devon Health.
- If you graduated from a foreign medical school, submit 8 1/2" X 11" copy of your current and valid Educational Commission for Foreign Medical Graduates (ECFMG) certificate.

For Post Graduate Information if Applicable:

- Submit an 8 1/2" X 11" copy of your Postgraduate Education Training Certificate(s) from training programs approved by the Accreditation Council for Graduate Medical Education will be accepted.
 - If you graduated from a program approved by the American Medical Association (AMA) or American Osteopathic Association (AOA) in the U.S. (or U.S. territory) or Canada, you must have completed one year of postgraduate training in the U.S.
 - If you did not graduate from an AMA- or AOA-approved program, you must have completed three years of postgraduate training in the U.S.
- Arrange for Devon Health to receive a sealed or notarized *Verification of Post Graduate Medical Education* form from **the most recent** program

For Providers Who Have Reports on Their NPDB:

- If multiple sanctions are reported please arrange for Devon Health's office to receive a *Recommendation from Chief of Staff or Chief of Service* from the Chief of Staff or Chief of Service in a medical facility where you currently or previously had privileges
